

## **Disciple Property Management Pet Policy**

Many properties at Disciple Property Management are Pet Friendly!

Generally speaking, properties that are Pet Friendly will require a \$200 Non-Refundable Pet Fee per pet (2 pet max) and \$10 - \$25 monthly Pet Rent per pet. Applicants / Tenants are required to complete a pet profile at <https://disciplerealestate.petscreening.com/> for each pet.\* Monthly pet rent will vary with PetScreening FIDO rating. Tenants will be required to renew their PetScreening digital profile annually.

Tenants are expected to use reasonable care of the property in regards to their pet(s) including but not limited to picking up pet waste, filling in any holes caused by a pet, patching any grass that has died as a result of the pet, etc. Pets must be on a leash when outside of residence or fenced yard of said Tenant residence. Tenants with approved pets agree to keep pets under control at all times, so as to not disturb others. Fish tanks/aquariums - per tank - in single family residences fall under the Non-Refundable Pet Fee and Pet Rent provisions listed here.

Fish tanks/aquariums are not allowed at any multi-unit properties, including but not limited to Savage Creek Apartments, Magnolia Condominiums, condos on Ivey Street, townhouses at Turtle Landing on Landing Way, Brisbon Hall Lane condos, 76 Al Henderson Way condos, and The Crossings.

If you have questions about a particular property's pet friendliness, please contact the office at [info@disciplepm.com](mailto:info@disciplepm.com). We are happy to help!

\*Any costs associated with creating a pet profile with [petscreening.com](https://disciplerealestate.petscreening.com/) are non-refundable.

PROPERTY MANAGEMENT

We encourage healthy and responsible pet interactions for all residents, and we strive to create a community that welcomes everyone and ensures a pet-responsible environment. We use a third-party pet application service that is simple and secure while storing your pet's information in one place.

This service makes it easy for Pet/Animal Owners to share their animal records with their Housing Provider, pet groomers, doggy daycares, dog walkers, pet sitters, vets, pet friendly hotels, and more.
