

## Pay in Cash Off-Site

Disciple Property Management HIGHLY recommends use of the Online Tenant Portal. For those who choose not to pay with the portal, or who are required to pay in Certified Funds, paying in cash at an off site location is an option for you. \*Cash is not accepted at the office\*

**You can find the electronic cash payment slip by navigating to the Payments tab of your tenant portal, then clicking Download Payslip from the Electronic Cash Payments block. Alternatively, you may find your payslip as an attachment in your Shared Document tab.**

### Electronic Cash Payments

You can pay your rent in cash. Just bring the payslip to a nearby supported store that is listed on the payslip and make your payment there.

Alternatively, you can click on "Find Store" to find a supported store close to you and then follow the instructions to make a payment at that store. Note that clicking this link will take you out of your portal to a page provided by our payments processor.
